Participation Steps:

1. Decide on the best tree for your property: See website for suggestions
   
   Things to consider:
   - property boundaries
   - spread of tree crown
   - set backs from roads
   - overhead wires

2. Plant your tree and water it well
   We all want your tree to thrive
   Check the website for advice on planting and care for your tree

3. Register your tree with the Town

4. You Get:
   - An arborist label to mark your Centenary tree
   - Your tree on the Town’s Tree map
   - A souvenir button

Talking Trees – find us on Facebook
The Goal: Your tree is a gift to the whole community

- Enhance your property and neighbourhood.
- Trees add vital ecological value in our environment.
- Trees build the Town’s natural assets.
- Planting trees is the single best action for climate change.
- Trees provide cost-free cooling, flood control, and air purification.

100 Trees : 100 Years
a project of Talking Trees

Talking Trees is a group of residents dedicated to preserving the urban forest of Mahone Bay.

Talking Trees has joined with the Mahone Bay Garden Club and The Town of Mahone Bay to co-ordinate this Centennial Project. Residents are encouraged to plant a tree in their garden to celebrate Mahone Bay's Centennial year to enrich our town for the next 100 years.

Want to plant a tree, but don't have space?
Contact the Town Office to find out how to sponsor a tree.
This is a perfect way to plant a tree in someone's memory.
Snap this QR code to go to the Town of Mahone Bay website for more details of this tree planting project.

Join Talking Trees Facebook Group to share photos and seek information.

Suggested Trees:
Shade trees such as Red Maple
Edible trees such as Apple
Native trees such as Beech
Ornamental trees such as Magnolia

"The best time to plant a tree was 20 years ago. The second best time is now." (Chinese Proverb)
