

The Town of Mahone Bay continues to take measures to combat COVID-19 and its impacts in our community, in accordance with Provincial directives.

Council and Council Committees are holding regular meetings by electronic means - contact Town staff to learn more about how to join a regular committee meeting and watch the Council meetings on our YouTube live stream.

On March 19th Town Council took immediate action to temporarily suspend tax and utility interest and disconnections to provide short-term relief to those impacted by COVID-19.

The Town is now offering a Property Tax Financing Program for residents and businesses having difficulty making property tax payments due to COVID-19.

Application forms are available on the Town website.

Town Hall will remain closed until we can safely accommodate staff and the public. All Town services are still available and payments can be made by cheque (via mail or the drop-box) or online banking.

Solid waste collection continues and the waste site has returned to regular hours.

We can't gather like we used to, but the Town still needs your input. Visit our website and facebook!

Contact us at 902-624-8327 or clerk@townofmahonebay.ca.

We're still hard at work and happy to answer your questions.

The Comfort Stations on Edgewater Street and Main Street are now open.

The Playground is now open.

The Mahone Bay Civic Marina has opened for the 2020 season.

The Michael O'Connor Memorial Bandstand will be opening in early July. Watch for updates as they become available.

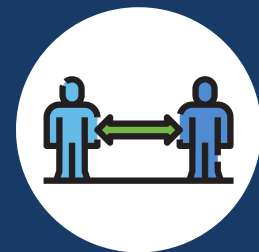

Sports field bookings will be available in early July. Watch for updates as they become available.

Fire Department Bingo is back!

The Mahone Bay and Area Pool will remain closed for 2020.

Please remember to follow public health protocols so we all have a fun and safe summer in Mahone Bay.
